Dear Ed:

On August 25, 1999 I sent you a request to have Dr. Peter Gaspar, chemistry professor at Washington University, St. Louis, MO, elected to membership at NLG. I followed this up in January. Would you be nice enough to tell me if I have to do anything further to have this matter completed as it is something I sincerely feel should be accomplshied.

For your convenience, I'm sending you an additional copy of his dossier.

My best regards to you. I still remember your comic poem.

Sincerely,

Eric P. Newman
